## EMPOWERING BILLIONS

To evolve

## Happy, Prosperous and Peaceful Societies

The '**International 'We Serve' Foundation, Inc.**' [aka: the **Foundation**] is a non-profit, charitable organization, based in Lexington, KY, USA that envisions connecting thousands of volunteers and generous institutions with over 3 billion deserving poor citizens in rural and urban parts of the world. The Foundation does not discriminate in any manner in its mission to help the poor citizens of the world.

**Critical Needs:** The Foundation aims to address several essential needs of the poor such as:

Habitat	Infrastructure	Transportation	Farming
Water	Sanitation	Healthcare	Education
Food	Employment	Communication	Quality of life

**Poverty Alleviation:** The Foundation shall use modern technologies to establish (i) physical, (ii) electronic and (iii) knowledge connectivities where needed to empower the poor, resulting in (1) eradication of poverty and (2) sustained economic improvement.

**Donating Time:** The Tele-Volunteers donate time (an hour or more per month) and provide free online mentoring / tutoring / guidance / education, etc. to the poor, via Tele-Ed / Tele-Med / Tele-Conference, etc. in fields / disciplines the beneficiaries seek skills, knowledge, education, employability, etc.

**Institutional Partners:** Several Institutions (including our Founding Sponsors) provide their expertise, products & services, often free or at a substantially reduced cost, in project design, deployment, training, maintenance, etc. Link to register as an Institutional Partner (Non-profit, For-profit, Government, NGO, National, International, MNC, Industrial, Business, Commercial, Charitable, Philanthropic, etc.)
