Hiring Our Heroes Veterans Career Fair is part of the U.S. Chamber's 100 city initiative. Commerce Lexington's Business & Education Network is partnering with the Kentucky Office of Employment & Training and the Central Kentucky Career Centers to bring this opportunity to area companies and Kentucky veterans. Supporting partners include: Kentucky Dept. of Veterans Affairs & Veterans Trust Fund, Kentucky Employer Support of the Guard & Reserve (ESGR), USDOL Veterans Employment & Training, and local veterans service organizations.

Service organizations are key support entities for many veterans. As such, space has been set aside for service organizations to have a table at the career fair.
