RELATIONSHIPS

Part V – Line 2a & 2b:

Details of the business relationship among the directors

The following are our family group of companies that have joined together to provide strong support to the Foundation in empowering billion of the poor. The President and the current Board of Directors of the Foundation have common interests in many of these entities as shown below.

[1] Enriched Cloud Computing, LLC Lexington, KY, USA
Provides free its servers + cloud computing services and hosts the Foundation website.

[2] Resources International, Inc. Lexington, KY, USA
Provides the Foundation totally free all the promotion, news update distribution, fund and program related mailing, recruitment of volunteers, etc.

[3] i-Grandee Software Technologies Pvt. Ltd. Madurai, TN, India
Provides the Foundation several valuable products worth hundreds of thousands of dollars FREE – (i) Virtual KYC, (ii) Virtual Tele-Ed, (iii) Virtual Tele-Med, (iv) Virtual Tele-Conference, etc. software application products. It is developing school syllabus based course contents from K-12 to be deployed free of cost in the local servers set up in each Virtual Classroom.

i-Grandee designed, developed and deployed the website of the Foundation FREE of cost and maintains it free as well.

i-Grandee is providing the necessary IT staff to set up the Virtual Classrooms and Tele-Education and tele-medicine networks in various parts of India, at actual procurement cost from third party vendors (hardware, broadband connectivity, etc.) are sourced.

i-Grandee shall train volunteers FREE from any country to set up similar virtual classrooms and tele-education, tele-medicine networks in their locations.

[4] Alpha International, Ltd. LLC Lexington, KY, USA
An International Import-Export company that provides free help to the Foundation to reach potential Volunteers and organizations in many countries.

[5] TASK Initiatives Ltd. LLC Lexington, KY, USA
Brings to the market a number of educational and skill development programs in various sectors and fields as online learning tools. It collaborates with many educators and teachers to develop

International 'We Serve' Foundation, Inc. EIN: 45-1733688

many worthwhile online educational courses. TASK is providing these free of cost to the poor students who are covered by the Foundation as it beneficiaries in many parts of the world.

[6] Grandskills Education Pvt. Ltd. Chennai, TN, India

This brings to the market several digital educational programs that suit the skill development needed in many sectors and these courses are offered as part of a regular four year college curriculum. Many of these courses will be provided to the Foundation FREE to help the poor students and adults to improve their skills and seek better employment.

All these data are clearly disclosed by each Director and Officer of the Foundation as part of the **Conflict of Interest Disclosure Policy**. The Disclosure Forms shall be updated periodically and at least once a year.

[7] University of Kentucky: The Foundation has been discussing with the University of Kentucky administrators and several faculty members to collaborate with the Foundation in its efforts to empower the Billions. Many of them have registered as Volunteers with the Foundation. The Foundation hopes to offer many online courses from the University of Kentucky free to the poor students in many parts of the world, as part of the IGNITING MINDS Mission.
