Respected and beloved **Dhanapal**,

July 27, 2012

Letter of Acknowledgement

Under the '**IGNITING MINDS**' mission, the **International 'We Serve' Foundation** is setting up Virtual Classrooms in several rural and urban schools that cater to large number of poor students and adults. The multi-media contents shall enhance the courses and the syllabus taught by the local teachers. The poor students shall also receive free online tele-tutoring from the Foundation tele-Volunteers as part of this mission.

The Foundation shall establish an **Endowment** to sustain the '**IGNITING MINDS**' Mission – such as the regular maintenance, update contents in several local languages, adult-education webcasts, interactive sessions with leading scientists, educators and world leaders, IT tech support, etc. The principal shall remain intact, while the earnings from the endowment shall support ongoing maintenance activities and expenses for years to come.

The Foundation shall provide (to those interested in downloading) your wonderful documentary '**A Little Dream**' as a complement for donating \$ 10 (Rs. 550) or more ('Qualified Donor'). The Foundation assures your documentary will not be sold or used in any type of commercial activity at any time. To cover part of the production cost, the Foundation shall remit annually to '**Minveli Media Works**' US \$ 0.60 (Rs. 33) per qualified download, till Dec. 31, 2015. The Board of Trustees of the Foundation is fully aware this does not fully compensate your firm its actual cost and effort that went into making this epic documentary. Kindly allow the Foundation to recognize and thank you and your firm in our website as one of our '**Institutional Partners**' supporting our Vision and Mission to empower billions of poor citizens across the globe.

May God bless you with health, happiness, prosperity and a long life to help those in need.

With best regards. Yours truly,

Dr. M. S. Vijayaraghavan, MD
